

EASY ORDER FORM/CORN TORTILLA DIE CUTTERS

Tortillaworld's EASY ORDER FORM makes ordering a new corn tortilla die cutter online fast, easy and convenient and saves you up to 50% off the name brand manufacturer's price. You can measure the die cutter yourself using the information below as a reference or simply send us one of your die cutters so we could measure everything needed to make the new one. We will return the sample and new one when finished. You will get the same quality and durability you receive when buying from a name brand manufacturer. We sell 1, 2, 4 and 6 row corn tortilla die cutters. Thank you for your loyalty and trust in our brands. *Print clearly so words and numbers are legible

EASY ORDER FORM/CORN TORTILLA DIE CUTTERS

**IMPORTANT NOTE: HOW TO CHECK IF YOUR ROLLERS
ARE STRAIGHT OR CURVED: MARK YES/NO BELOW**

You can easily check by placing a standard ruler flush sideways in the middle of your front and back rollers. Turn flashlight on so light can be seen from the front of the ruler. If you see light thru the bottom of the ruler, your rollers are curved, no light coming thru means your rollers are straight
